Anmeldelser:

Vi boede på hotellet i to nætter. Værelset havde alt, hvad vi havde brug for, det var rent og ryddeligt. Alt var som på billederne. Stedet er forholdsvis stille og har dejlige steder at tilbringe tid uden for hotelværelset. Personalet på hotellet var meget venlige og imødekommende. Alle anbefalinger!

Meget godt hotel! Perfekt beliggenhed, metro mindre end 1 minut. Let at rejse rundt i Paris! Vi nød virkelig vores ophold, vi følte os trygge i dette område. Receptionisterne er også meget venlige, værelset var lille, men helt sikkert nok til aktiv sightseeing. Jeg anbefaler virkelig dette hotel. Priser og komfort matcher. :)

Vi boede med familie i to nætter efter vores tur til Disneyland Paris. Det var rigtig god værdi for pengene. Der er masser af gode steder lige rundt om hotellet: bageri, butikker, metrostation er lige rundt om hjørnet. Vi tog også en dejlig gåtur til Paris Triumfbuen og Eiffeltårnet.

Jeg boede igen på Espace Champerret, og det var fantastisk, som altid! Venligt personale og behageligt hotel, med en morgenmad, der er ret god til at starte dagen. Det er meget centralt i Levallois og tilgængeligt til det centrale Paris med den meget nærliggende metrolinje.

Reviews:

We stayed in the hotel for two nights. The room had everything we needed, it was clean and tidy. Everything was as in the pictures. The place is relatively quiet and has nice places to spend time outside the hotel room. The staff at the hotel was very friendly and accommodating. All recommendations!

Very nice hotel! Perfect location, metro less when 1min. Easy to travel around the Paris! We really enjoyed our staying, we felt save in this area. Also receptionists are very friendly, room was small, but for sure is enough for active sightseeing. I really recommending this hotel. Prices and comfort are matching. :)

We stayed with family with two nights after our trip to disneylang paris. It was a great value for money. There are lots of good places just around hotel: bakery, shops, metro station is just around a corner. We also took a great walk to Paris Triumph arc and Eifel tower.

I stayed again at Espace Champerret and it was great, as usual! Friendly staff and comfortable hotel, with a breakfast that's pretty good to start the day. It's quite central in Levallois and accessible to central Paris with the very close by metro line.
